

8 DECENT WORK AND ECONOMIC GROWTH

SDG 8 supports Celestica's most important resource, our people.

At Celestica, we provide:

- Competitive wages
- Protection of basic labour rights
- Skills development and training
- An inclusive and diverse environment

9 INDUSTRY, INNOVATION AND INFRASTRUCTURE

SDG 9 aims to build resilient infrastructure, and foster innovation, all of which are important to Celestica's manufacturing processes.

Celestica supports this by:

- Promoting inclusive and sustainable industrialization
- Implementing building retrofits
- Improving product design and material efficiency
- Tracking and reducing greenhouse gas emissions

SUSTAINABLE DEVELOPMENT GOALS

Celestica has adopted the United Nations Sustainable Development Goals (SDG) as part of our sustainability strategy. Currently, we prioritize 4 goals.

12 RESPONSIBLE CONSUMPTION AND PRODUCTION

SDG 12 is an important goal to ensure resource efficiency and sustainable management practices at Celestica's global operations.

Celestica is focused on:

- Resource efficiency and environmental management systems
- Effectively managing our waste and water use
- Promoting the use of renewable energy

17 PARTNERSHIPS FOR THE GOALS

SDG 17 focuses on implementing and revitalizing global partnerships for sustainable development.

Celestica supports this by:

- Working with external stakeholder groups
- Creating partnerships throughout our global supply chain
- Encouraging stakeholders to support sustainability and human rights initiatives
